— A NOTE BEFORE WE BEGIN —

Welcome, and congratulations.

Thank you for considering 24 Weddings to capture your day. We are a small Montana studio that believes wedding films should feel like the day actually felt — quiet, joyful, a little wild, and unmistakably yours. Every package below is built around that idea.

“

Years from now, your film should bring back the sound of the room, the light in the sky, and the feeling of being loved by everyone there.
